Subject: Site Inspection Photographs for Westbank Asbestos

Good Morning Benita,

We are trying to locate photographs for the March 1995 Site Inspection Report. This is a FOIA request and John Martin has asked us to locate the photographs for the report. Appendix A of the report is only a cover sheet. I have searched SDMS and not been able to locate the photos for this report. I also looked in Versatile and could find no reference to the photos. Can you help us?

Thanks,
